DETAILED ACTION

Allowable Subject Matter

1. Claims 1-6, 13-18 and 25-30 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: In regard to claims 1-6, 13-18 and 25-30 the applicant argues on page 8 of the amendment filed July 23, 2004 that the operation of the switch on a memory card to enable/disable writing does not determine the manner in which an image is picked up. As stated in the claims, the control unit selective allows or forbids storage of an image in a directory which exceeds a predetermined number of images on the basis of whether the "image pickup mode selected by said selection unit is a predetermined image pickup mode". The examiner agrees with the applicants arguments that a switch on a memory card to enable/disable writing does not have any effect on an image pickup mode of the camera. Therefore, claims 1-6, 13-18 and 25-30 are allowed.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
